

Publication of *The Journal of San Diego History* has been partially funded by a generous grant from Quest for Truth Foundation of Seattle, Washington, established by the late James G. Scripps; and Peter Janopaul, Anthony Block and their family of companies, working together to preserve San Diego's history and architectural heritage.

Publication of this issue of *The Journal of San Diego History* has been supported by a grant from "The Journal of San Diego History Fund" of the San Diego Foundation.

The San Diego Historical Society is able to share the resources of four museums and its extensive collections with the community through the generous support of the following: City of San Diego Commission for Art and Culture; County of San Diego; foundation and government grants; individual and corporate memberships; corporate sponsorship and donation bequests; sales from museum stores and reproduction prints from the Booth Historical Photograph Archives; admissions; and proceeds from fund-raising events.

Articles appearing in *The Journal of San Diego History* are abstracted and indexed in *Historical Abstracts and America: History and Life*.

The paper in the publication meets the minimum requirements of American National Standard for Information Science-Permanence of Paper for Printed Library Materials, ANSI Z39.48-1984.
