

## SAN DIEGO HISTORICAL SOCIETY

### 38th Annual Institute of History

The San Diego Historical Society's Institute of History encourages research on San Diego subjects of historical significance. Papers pertaining to California, the Southwest, and Baja California are appropriate to submit to the Institute when they involve events or individuals with some relationship to San Diego's past. Students, non-professional, and professional writers are encouraged to submit papers.

Awards, which include cash prizes, may not be given in a category if no papers of sufficient merit are submitted, as determined by the judges. All papers submitted to the Institute of History will be considered for publication in the Society's quarterly *The Journal of San Diego History*.
