

WILLS AND LIVING TRUSTS

Remembering the San Diego History Center in your will or trust is one of the most meaningful gifts you can give.

Your gift will make a lasting impact on our mission of telling the stories of our community. In addition to leaving a lasting legacy to the San Diego History Center you will also reduce the burden of taxes on your family and receive an estate tax charitable deduction.

A gift through your will or trust can be made in several ways:

- You can make a gift of a specific asset or dollar amount
- You can make a gift of a percentage of your estate
- You can make a gift from the balance of your estate.

For more information on how you can include the San Diego History Center in your estate plans, please contact the Development Department at development@sandiegohistory.org or 619-232-6203 x102.

We are happy to assist you with any questions or concerns you may have. If you do choose to include the San Diego History Center as a gift recipient in your will, trust, retirement accounts or life insurance accounts, please let us know, as we would like to recognize you for your generosity.
