

ANNIVERSARY TILE CAMPAIGN

The San Diego History Center tells the diverse story of our region and how the past has shaped the community we are today, and where we as a region are headed in the future. Founded in 1928 as the San Diego Historical Society, the History Center hosts more than 150,000 visitors annually at its museum in the heart of Balboa Park.

In honor of our 90th Anniversary, the History Center is providing a once in a lifetime opportunity for you, or your company, to help support our mission to preserve our past, while embracing our future. We are now making available 90 commemorative tiles in the museum atrium. These become a permanent, and lasting legacy of your support for our community.

There are only 90 tiles available, and once they are gone, they are gone. A named tile recognizes you or your company as being a permanent part of San Diego history. In addition to the tile, each company or individual can record their own history. These histories will be made available to the public through a registry in the SDHC Research Archives. Upon completing the initial sponsor page with your name and payment information, please fill out the following form.

Carefully print the name as you wish it to appear on the tile. Each name line may have up to twelve (12) characters per line. Spaces and hyphens count as one character.
